

Social Care Nurses Forum

We invite you to join a network of nurses working in a social care setting. The aim is to create a peer network that aims to extend your own practice and skills through teaching, learning, and sharing of experiences specific to your work environment.

Launching on Tuesday 17th May, 2022

To include a *FREE* webinar on **Type 2 Diabetes**, running from **19.00 - 20.00** on Microsoft Teams.

We are interested in your views on how BNSSG Training Hub's new Social Care Nurse Ambassadors can help you!

Sarah and Wendie are excited to:

- ◆ Provide a link to **identify opportunities** for **learning** and **development**
- ◆ Create a space for you to **showcase the variety of avenues** for registered general nurses working in the adult social care sector
- ◆ Provide a platform you to **promote** and **share your knowledge and skills** with other social care nurses
- ◆ **Enhance** and **develop your understanding** of the wider BNSSG Integrated Care System
