Dear David Smallacombe,

Thank you for your correspondence regarding the delivery of Social Care. I am grateful to you for bringing these issues to my attention.

I would be delighted to hear from or to meet any of the people who run care homes in my constituency. Please do encourage anyone in this situation who is interested to contact my Personal Assistant, Mrs. Margaret Brewer, on 07510 638250 or mbrewerpa@gmail.com to arrange a meeting. I will then take up any specific issues of concern on their behalf.

With every good wish for Christmas and the New Year,

To my,

David Smallacombe
