

## Nurse Training Opportunities in BNSSG September - December 2023

Healthier Together are offering fully funded training opportunities for nursing & care staff in nursing, residential and domiciliary care settings across Bristol North Somerset and South Gloucestershire

### What is the training?

#### Clinical Skills training for Nurses (all half days):

- Recognising and Managing symptoms at End of Life
- Safe use and management of Syringe Drivers
- Recognising and managing Delirium and Frailty (including using RESTORE2 and NEWS2)
- Tissue Viability updates
- Venepuncture
- Catheterisation
- Verification of Expected Death

The training will be held in venues across the BNSSG region, see next page for details.
